Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

2 10 minutes to prepare 1 hour to collaborate

2-8 people recommended

Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

→ 10 minutes

Team gathering
Define who should participate in the session and send an invite. Share relevant information or pre-work ahead.

Think about the problem you'll be focusing on solving in the brainstorming session Learn how to use the facilitation tools

Use the Facilitation Superpowers to run a happy and

productive session.

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

PROBLEM How might we provide child safety monitoring and notification system using

Key rules of brainstorm To run an smooth and productive session Stav in topic Encourage wild ideas. Defer judgment. Listen to others.

If possible, be visual.

Go for volume.

Define your problem statement
